MEMORANDUM FOR: Chief, Plans and Policy Staff, OTR

SUBJECT: OTR Emergency, Contingency and War Plan

1. The attached plan gives the appearance of being a training instruction rather than a plan. Part of the reason for this is that the plan attempts to cover too many diverse situations. It is recommended that the plan be broken down into Annexes to support specific plans. For example, a Training Annex for each specific Contingency Plan should be written. Such Annexes should be tailored to meet the situation presented in the plan.
